(If you are selected as a participant in this program, will you receive academic credit from your university/college for participating?) _____

Additional Colleges:

University/College Transcripts: Please attach _____

Date of High School graduation or GED: _____

City: _____ State: _____

3 Please provide the following information about your current academic advisor

Prefix: _____

First Name: _____ Last Name: _____ Middle Name: _____

Mail Address: _____

City: _____

State: _____ Email: _____

Zip: _____ Work Phone: _____

Country: _____ Fax: _____

4 Dean of Your Department

Prefix: _____

First Name: _____ Last Name: _____ Middle Name: _____

Mail Address: _____

City: _____

State: _____ Email: _____

Zip: _____ Work Phone: _____

Country: _____ Fax: _____

5 College President

Prefix: _____

First Name: _____ Last Name: _____ Middle Name: _____

Mail Address: _____

City: _____

State: _____ Email: _____

Zip: _____ Work Phone: _____

Country: _____ Fax: _____

6 **NSF funding program**

Are you in a NSF funded program? _____ Yes/No

If Yes:

Name of program: _____

Name of Principal Investigator (PI): _____

Telephone Number of PI: _____

Email of PI: _____

Program Grant Number: _____

7 **Work Experience**

Work Experience: _____

Associations: _____

Computer Skills: _____

Laboratory/Technical Skills: _____

8 **Program Info**

Have you participated in previous DOE internships? _____ Yes / No

If Yes Please List:

Have you participated in other previous internships? _____ Yes / No

If Yes Please List:

What is the earliest date you can begin your appointment? _____

When do you need to complete your appointment? _____

9

Name of faculty you will be working under in the CRTP: _____

Project Title: _____

Abilities: _____

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

10

Research Experience

Describe your previous research experience or equivalent experience on complex projects, including the level of independence, while working as a member of a research/project team. (limit response to 350 - 400 words)

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Essays - continued

Research Interests

Describe your research interests and why you would like to be a part of a joint research project with BNL. You should discuss the proposed research project before completing this essay. (Limit response to 350-400 words)

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Personal Experience

Describe your professional, academic, or life experience and skills you have that enhance your ability to be an excellent contributing member to the Summer 2012 Student CRTP.
(limit response to 350 - 400 words)

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Essays - continued

Professional Goals

Describe your long-term academic and professional goals, and how participation in the Summer 2012 Student CRTP program could develop or expand skills required to achieve those goals. (limit response to 350 - 400 words)

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
